IGT

# # 1 ITALIAN MOSCATO IN THE USA

Nielsen Scan Data 52 Weeks (Ending October 2015)

- #1 Moscato at Olive Garden
- The moscato grapes are harvested from the vineyard's natural bowl shape, called "arena" in Italian, which has its own microclimate.
- The castle overlooking the vineyards was once ruled by the Knights Templar.
- Castello del Poggio produces 28% of its energy needs.

Our Moscato is aromatic with notes of stone fruit and honey. On the palate it is refreshing with a soft delicate mousse and ripe peach overtones. It pairs excellently with spicy entrees as well as an array of desserts, like apple strudel, black forest cake or cannoli.
