

PIATTELLI

RESERVE CABERNET SAUVIGNON 2012

Lujan de Cuyo, Mendoza, Argentina

The idyllic characteristics of this environment bring our wines to perfection much earlier than wines made from grapes grown in regions with shorter seasons. Cultivated with arid-clean air, crystal-clear water, and nutrient-rich soil, Piattelli's Cabernet grapes are grown on 12-year-old vines located in the high-altitude Uco Valley (Elevation: 3,937 feet), which are managed to yield only 5.5 pounds of fruit per vine and 4.45 tons per acre.

- Grapes were hand-picked and manually sorted
- 100% Cabernet Sauvignon
- Grapes underwent 3 days of cold maceration
- Fermented in small, 25,000-liter stainless steel tanks
- Follows 90% of the same process as Grand Reserve Cabernet
- Aged for 8 months in small, second-use French-oak barrels
- Bottle-aged an additional 6 months
